Christmas Message

“I bring you good news of great joy that will be for all people.” Those of us who know the Christmas story will recognize that these were the words spoken by the Angel who appeared to the Shepherds in the fields outside of Bethlehem. The Messiah was finally born and that news of the Savior was for all people! This fact is emphasized by God choosing the humble Shepherds to receive the news.

Today, the mission of FCA is similar to the Angel that special night. Our focus is to bring the good news of the Savior to the world through coaches, athletes and all whom they influence. As we redeem the world of sports and watch those who are in it use that platform to proclaim Christ, powerful change takes place. We see students look at their school as a mission field for telling others the good news. We see Coaches who are more interested in

impacting young people for a lifetime rather than just winning games. We see parents who take part in shaping the culture of their child’s school. We see churches that are able to reach out to the local schools in new ways. This time of year as we celebrate the good news, let’s recommit ourselves to sharing that news to all people. We are grateful for the part that FCA has in bringing that message and look forward to another year of serving the living Messiah.

SAVE THE DATE!

On, Monday, May 7, 2012 Greater Philly FCA will hold its annual Golf Classic at Whitford Country Club in Exton, PA. Join us for a fun day of golf starting with registration at 10:30 AM

and concluding with an Awards Dinner. More information will follow after the new year. Check out www.phillyfca.org for the latest information.

Super Huddle!

On December 3rd, FCA student leaders and Huddle Coaches from four local schools gathered together for breakfast at the Central Bucks East High School for a time of fellowship and encouragement. The group discussed topics that included recruiting new students,

lesson plans and community service projects at the schools. The students enjoyed meeting others with a shared passion for impacting their campus for Jesus Christ and were challenged by seeing how FCA is working at other schools. The group decided to create a

facebook page for FCA leaders where they could stay in touch and share ideas on a regular basis. We will plan another "Super Huddle" gathering for the Spring and hope to add some of the new schools with huddles at that time.

New Huddle

Please pray for a small group of students that is starting a huddle at the Neshaminy High School. This group has recruited a Huddle Coach and is putting together an advertising blitz to make other students

aware of the group. The time of the meetings is Mondays at 2:30 pm, so pray that many students will be made aware of the group and will be willing to attend. Pray that the Holy Spirit will empower the students as they lead and prompt

others to attend. Pray also for the Huddle Coach that the Lord will honor his commitment of time and investment in the eternal life of these students.
